The Serene™

Retractable screen
for windows

Up to 2m wide

phantom-screens.co.uk

High quality components ensure smooth operation

Available in a variety of colours and wood grains to suit your décor

Serene screens suit most window applications including roof vents

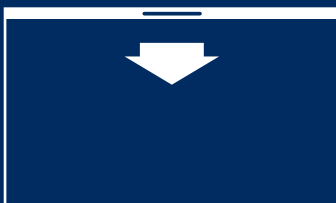

Blackout fabrics are perfect for keeping sunlight and pests out

Serene screens have it covered

Keep your home cool and fresh without the intrusion of pests with Phantom Screens' retractable window screens. Serene window screens can be installed with most window types and are available in a range of options to suit your needs. Serene screens can provide protection from insects, solar shading, ventilation and enhanced privacy or, if a good night's rest is what you're after, our blackout fabrics are perfect for keeping out sunlight as well as pests. All screens are professionally installed by your local design and fitting expert so you can rest assured that they will look great and work perfectly.

- Phantom Screens' high quality components ensure years of trouble-free operation.
- The Serene fits most window sizes and types including casement, sash, tilt and turn and velux.
- The soft close system ensures screens slide gently back into their housing.
- Low profile housing blends in with your existing window frame.
- Screens come in a variety of colours to match your décor.
- Our durable mesh resists sagging and tearing.
- Phantom Screens are professionally fitted to the highest standard.
- All screens come with a Phantom Lifetime Warranty.

Window Sizes

Width: 0.3m-2m
 Max Height (pull length): 2m

Colours

Alongside our standard white frames, Phantom Screens offer a colour matching service to make sure your screens perfectly compliment your décor.

Mesh and Fabric

Phantom Screens are available in a range of mesh and fabric options including anti-midge, anti-pollen, solar screening and blackout, all in a variety of colourways.
